

OCPP CERTIFICATE CONSIGNMENT

Sangkwon Oh
AHA Co., Ltd.
Seoul, Korea

Arnhem, April 14 2026

Dear Sangkwon Oh,

Congratulations! Based on the test results from one of our independent testing laboratories, Korea Testing Laboratory, we have determined that you meet the certification requirements needed for OCPP 1.6 Certification. The Open Charge Alliance is delighted to inform you of this achievement and can hereby send you the OCPP 1.6 Certificate.

The Open Charge Alliance holds a list of certified companies and your details will be included as follows:

Organisation:	AHA Co., Ltd.
Location:	Seoul, Korea
Product type:	Charging Station
Product designation:	A200-A460
Firmware Version:	VF2026-R001
Date of registration:	2026-04-14
Certification number:	OCA.0016.1224.CS

Your certificate and the related abstract of the test report will be visible on our website: <https://openchargealliance.org/certified-companies/> Please inform us in case of any change of company details.

Yours sincerely,

For the Open Charge Alliance

Onoph Caron
